HEXIS launches a range of special self-adhesive film **deco kits** for **extreme sports**, combining **aesthetic** appeal and **resistance**.

Intended for short-term decoration of motorbikes, quads, jet-skis and bicycles, the new **HOLESHOT HEX'TREM** range has been developed to **create** and **protect** graphics, logos and sponsors applied to surfaces exposed to abrasion, vibrations and friction.

HOLESHOT HEX'TREM is the guarantee of perfect adhesion and a perfect visual finish.

Stand out on
every turn
