

HEXVIEW

/ ULTRA-CLEAR PRINTABLE FILM /
Marking, decoration & signage

Need an ultra-clear printable film for use on glass surfaces?

The new HEXVIEW film is the obvious choice. Its transparency is its greatest asset!

Think of using **HEXVIEW** to redefine the privacy and feel of your interior spaces, and display your graphic designs and printed advertising messages on all types of glass surfaces.

It is ideal for decorating retail outlet shop windows, doors and glass partitions in your offices, meeting rooms, hotel lobbies, and even for the rear windows of vehicles.

Product characteristics

Ultra-clear gloss printable film

- **Cast** PVC
- Permanent, **clear** acrylic adhesive
- **50-µm** thickness
- PET liner
- Indoor & outdoor installation on glass surfaces
- Compatible inks: **ECO-S** **SOLV** **LATEX** **UV**
- Durability / Unprinted film: **up to 5 years** for outdoor use (vertical exposure)
- Available in 1520 mm x 50 m

Product benefits

With its **exceptional print quality**, **HEXVIEW** delivers vivid colours whilst allowing for gradient and spot colour effects.

Because it is **ultra-transparent**, you can see perfectly through any unprinted areas.

The HEXIS +

The HEXVIEW film has been designed for wet application. Another advantage is that it can be laminated with itself.

Before each application, please carefully read the technical documentation available on www.hexis-graphics.com
